Key terms

TERM

This Agreement runs for an initial term of 12 months from the go-live date. Following the initial 12-month term, the Agreement continues on a monthly rolling basis until either party gives 30 days written notice to terminate. Any notice given during the initial term takes effect no earlier than the last day of the initial 12-month term.

CANCELLATION

After the initial 12-month term, either party may terminate this Agreement by giving 30 days written notice. Termination for material breach by either party is available at any time in accordance with the full Terms and Conditions.

WELCOME CREDIT

The £200.00 first-month credit is a one-off welcome benefit against the AI voice receptionist and Click Desk Pro line. It applies to the Client's first invoice under this Agreement.

SETUP FEE

The £350.00 setup fee is non-refundable once setup work has begun. Setup includes configuring the voice agent, loading the treatments knowledge base, activating Click Desk Pro, integrating calendars and payments, building the ad accounts, and testing the system before go-live.

VOICE MINUTES

500 voice minutes per calendar month are included in the £490.00 AI voice receptionist and Click Desk Pro line. Voice usage above 500 minutes is charged at £0.30 per minute per the payment schedule above.

ADVERTISING SPEND

The total monthly advertising budget is £800.00, split evenly between the two campaigns: £400.00 to the Google campaign (Google Ads, Google Maps, YouTube) and £400.00 to the Meta & WhatsApp campaign (Instagram, Facebook, WhatsApp). The Service Provider will allocate spend across the platforms within each campaign in a way that best serves the Client's stated business objectives (bookings, enquiries, foot traffic, brand awareness).

CONTENT APPROVALS

The Client will nominate one point of contact empowered to approve content. Content is delivered on a rolling schedule and treated as approved unless the nominated contact objects in writing within 2 business days of receipt.

ADVERTISING COMPLIANCE

All content, ads, and voice-agent scripts produced by the Service Provider will follow the UK Advertising Standards Authority (ASA) rules and Committee of Advertising Practice (CAP) code, including the specific restrictions that apply to aesthetic and cosmetic treatments. Prescription-only medicines will not be advertised by brand name. The Client is responsible for the medical accuracy of any clinical claims requested.

PERFORMANCE STANDARD

The Service Provider commits to deliver the services described in this Agreement to a high professional standard, with continuous campaign optimisation and monthly performance reporting to the Client. Advertising and content outcomes are influenced by factors including market conditions, competition, seasonality, treatment mix, and price positioning; specific booking, revenue, or return-on-ad-spend figures are set and reviewed with the Client campaign by campaign rather than fixed in this Agreement.

ADDITIONAL CHARGES

Any expense over £100 outside the scope of this Agreement (for example, paid third-party tools, influencer fees, printed materials, additional voice minute allowance) requires the Client's written approval before the Service Provider proceeds.

YOUR DATA

The Client owns all data held in the Click Desk Pro platform, all customer records, all voice agent call records, and all advertising accounts created on the Client's behalf. The Service Provider complies with UK GDPR. On termination, all data will be exported and returned to the Client within 14 days, and administrator access to any ad accounts registered under the Client's name will be handed over.

INTELLECTUAL PROPERTY

The Client owns all final creative assets delivered under this Agreement (posts, reels, stories, ad creative). The Service Provider retains the right to use anonymised performance metrics and creative examples in its own portfolio.

CONFIDENTIALITY

The Service Provider will not disclose customer data, financial information, pricing arrangements, treatment protocols, or any information designated by the Client as confidential.

SERVICE AVAILABILITY

The Service Provider targets 99% uptime per calendar month on the Click Desk Pro platform and the voice agent, excluding scheduled maintenance windows notified in advance.
